University of Annecy - Annecy-le-Vieux, France

2020 - French Baccalaureate SSI

- High School diploma specialized in science and computer engineering
  - Computer and digital systems option
- Monge High School - Chambéry, France

### MISCELLANEOUS

Outside of my working time, I have a real passion for video games based mainly on the creative and imaginary universe like the Pokémon license.

I still have a great affection for football that I did at high level for more than 14 years, I practice it always from time to time as fun with old friends.
